TCM Energy & Rehabilitation Tour (15 days)

中医能量康复之旅

WHAT: A unique and powerful 15-day retreat to support cancer recovery, rehabilitation, and overall health, while enjoying natural scenery and traditional culture. Organized by Ennova Health Management, Inc. and led by Dr. Kevin Chen, The tour can not only help people build the strength and energy needed for healing and recovery, but also improve the internal environment that cultivated cancer growth (such as stress, emotional disturbance, relationship, life-style and nutrition), and offer real sense of complete health and recovery.

WHO Should Attend:

- ✓ Cancer patients in recovery state after radiotherapy, chemotherapy or surgery;
- ✓ Patients with chronic diseases (e.g. cardiovascular disease, diabetes, etc.), chronic fatigues, or sub-health conditions;
- ✓ Anyone who wants to learn medical Qigong for cancer prevention and recovery.

FEATURES:

- ✧ Philosophy of searching help within for mind-body recovery – discover self-healing potential, and make friends with diseases;
- ✧ Diagnosis & treatment with integrated Chinese & western medicine experts;
- ✧ Systemic adjustment based on TCM theory of treatment differentiation by syndromes;
- ✧ Emotion & mood management with mindfulness training & psycho-therapy;
- ✧ Medical qigong exercises based on anti-cancer regimen, nutrition and dietary adjustment (Teaching Guolin New Qigong & Taiji 5-Element Qigong).

Expected Effects: Identifying the root source of emotion and mood disorders, building a positive mindset; increasing the self-healing potential of anti-cancer (anti-disease), relieving the symptoms of various diseases; learning life-nurturing methods to achieve the true mind-body-spirit health (the wholesome health).
